welcome to Janus Sports Janus is a full-service sports and entertainment agency with expertise in athlete management and talent representation. We chose the name Janus after the Roman god of beginnings, gates, transitions, time, doorways, passages, and endings.

And, according to both, unlike other Roman and Greek gods, Janus may have actually lived. In the first myth, he ruled alongside an early Roman king named Camesus. After Janus' exile from Thessaly (a province in northern Greece), he arrived in Rome with his wife Camise or Camasnea and children, the most notable being Tiberinus (god of the Tiber).

While Janus sometimes is named belliger and sometimes pacificus in accord with his general function of beginner, he is mentioned as Janus Quirinus in relation to the closing of the rites of March at the end of the month together with Pax, Salus and Concordia: This feature is a reflection of the aspect of Janus Quirinus which stresses the quirinal function of bringing peace back and the hope of soldiers for a victorious return.

The Janus case does not affect payroll deduction of dues, the union's obligation to represent all members of the bargaining unit, or any collective bargaining rights. Janus is part of a broader agenda to weaken unions and destroy public education, brought to us by the same forces who have been defunding public services.
