Patagonia, semiarid scrub plateau that covers nearly all of the southern portion of mainland Argentina. With an area of about 260,000 square miles (673,000 square kilometres), it constitutes a vast area of steppe and desert that extends south from latitude 37° to 51° S.

On South America's southern frontier, nature grows wild, barren and beautiful. Spaces are large, as are the silences that fill them. For the newly arrived, such emptiness can be as impressive as the sight of Patagonia's jagged peaks, pristine rivers and dusty backwater oases.

Patagonia Founded in the 70s by a group of self-proclaimed dirt bag climbers and surfers whose approach to design and business reflected their minimalist style Patagonia continues to offer versatile, high-quality gear & clothing that's responsibly made and built to last.
